

REMARKS

The August 10, 2011 Advisory Action indicates that all method claims 1, 3-9, 19, 22, 23, 25-30, 32, 34, 35, 37, 38, and 45 are allowed, and all system Claims 39-41, 43, 44, and 46 remain rejected because "[t]he concept that the charge is wetted is a method limitation and not further limiting to the apparatus of the claims." Although Applicants believe that Claims 39-41, 43, 44, and 46 are allowable, Applicants herein cancel those claims without prejudice or disclaimer, in order to advance the application to allowance. Applicants have also amended claim 22 to correct a clerical error.

Applicants therefore believe all pending claims are in condition for allowance, and respectfully request a Notice of Allowance for all pending claims.

Applicants believe there are no fees due at this time. However, the Commissioner is hereby authorized to charge any fees necessary or credit any overpayment to Deposit Account No. 50-4871 of King & Spalding L.L.P.

If there are any matters concerning this Application that may be cleared up in a telephone conversation, please contact Applicants' attorney at 512-457-2030.

Respectfully submitted,
